Things you need to know...

- Any of the boats that require gasoline, will be full of fuel on departure. As part of your rental agreement, when returning the boat, you will be required to return the tank to full to compensate for the fuel used throughout the day.
- "8-hour days" are considered from 9:00 a.m. until 5:00 p.m. Additional hours may be pre-arranged with the marina attendant at \$50 per hours after 5:00 p.m.
- NO reservations are taken for partial day rentals.
- Life jackets are required for every passenger on the boat, and are provided within your rental agreement. Please advise the dock manager how many you will need, and insure that you do NOT leave the dock WITHOUT them.
